Excitations unique experience gifts will thrill and delight the young at heart

September 4, 2008 (Sterling, VA) – As baby boomers age and become grandparents, many boomers are seeking new hobbies and activities, staying more physically active and aiming to fulfill lifelong dreams. Creating a “Bucket List” of experiences to achieve during a lifetime – like the characters did in a recent hit movie -- has become a popular means of tracking and measuring those dreams.

[Excitations](#), the premier online gifting company, offers a wide array of unique life experience gifts – from trekking with a llama to a [fighter pilot experience](#) – ideally suited for Grandparent's Day or other special occasions. With prices as low as \$50, giving your grandparents a gift of experience is an affordable and memorable way to celebrate the ones you love.

“The pursuit of our lifelong dreams often gets lost in our hectic day to day lives,” says Nancy Lamberton, co-founder of Excitations, “so giving a loved one a life experience that they have always aspired to is a fun and thoughtful way to help them achieve their personal ‘Bucket List’.

Cissy Chrisco of McLean, Virginia, a lively grandmother in her seventies, recently celebrated her birthday with her first [glider flight](#) over the Pennsylvania countryside – a gift from her neighbors. “It was the best day of my life!” Cissy said. “I’ve always wanted to fly a glider plane -- it was beyond my dreams.
