

SEAPLANE ADVENTURE

Ready for some “flight-seeing”? Embark on an airborne adventure aboard a legendary seaplane! Experience the high life with a thrilling excursion that calls back to the days when seaplanes skimmed the surfaces of water routes around the world. Capture the image and adventure of the Golden Age of Flight as you fly low and slow, gracefully gliding over the region’s scenic waterways.

- Begin with an introduction to the history of seaplane flying and the Golden Age of Flight
- Then, climb aboard and get ready to experience the thrill of numerous takeoffs and landings while flying in a modern day seaplane
- Enjoy the view as you fly and float along some of the area’s most beautiful waters
