

A YEAR OF POLO FOR BEGINNERS

Hold your horses! Here's your chance to master the game of polo with six weeks of lessons and a year long membership to a popular polo club. If you can sit on a horse, you can learn to play. An experienced USPA rated player will teach fundamental techniques such as hitting the ball forward and backwards and how to make contact safely with an opponent's horse to bump them out of the way. You'll start playing from the very first day!

- Enjoy six weeks of polo lessons taught by USPA rated players
- Learn basic skills and techniques including chukkers, hooks, bumps and more
- Play polo starting your very first day under carefully controlled conditions
- Continue honing your skills with a one year membership at a popular local polo club
- Includes one year membership and use of a horse and equipment for all six weeks of lessons
