

## FLY FISHING SCHOOL • FULL DAY

Get hooked on fly fishing with this 1-day introductory course! Beginners interested in tackling the sport as well as intermediates looking to polish their skills will eagerly answer this casting call. Everyone will have a “reel” good time as an expert angler covers all the angles from the basic casting stroke and loop shape to a review of dryflies, nymphs, and streamer patterns. You’ll come away with a thorough working knowledge and the skills needed for years of fly-fishing enjoyment.

- Learn to master essential fly fishing knots, tackle and tactics for stream fishing, insect identification and fly-pattern selection
- Get a hands on lesson on casting
- All necessary equipment is provided including, rod, reel, line and flies
- Take home a book on fly fishing, a cap and some flies to get you started on your own
