

FORMULA RACE CAR DRIVING • HALF DAY

No more sitting on the sidelines! Experience the adrenaline rush of racing with an intense driving adventure! Here's your chance to suit up, strap in, and see if you have what it takes to drive a Formula 2000 race car. This half-day, pulse pounding course features instruction, demonstrations, and practice. Then, it's off to the races!

- Suit up and start with class instruction on what it takes to control a race car on the track when driving at the limit and follow up with a live demonstration and practice sessions in practice cars
- Complete your prep with an introduction to the Formula race cars and a review of safety and racing etiquette
- Then get behind the wheel and step on the gas for two 20-minute track sessions
- Prior experience not necessary - racing gear and safety equipment included
