

# ULTIMATE FORMULA RACE CAR DRIVING

Exceed all limits with the ultimate Formula 2000 adventure! Experience the rush of race car driving with an intensive, three-day introduction to racing. Endure no rev-limit impositions in this experience that will leave you trained to be a better, faster race car driver. Master a variety of professional driving techniques and learn popular moves like ocular driving, the auto pilot, rotational turn-in, heel and toe, and more.

- Begin on the first day with classroom sessions covering an intro to the race cars, safety and etiquette, instructor demonstrations, on-track practice sessions, and end with 2 race car track sessions
- Day two brings seat time - more practice time to learn the racing line, followed by 4 more race car track sessions
- On the final day, gear up for the track and apply your new skills
- Prior experience not necessary - racing gear and safety equipment included
- Upon completion, you are qualified to apply for a vintage license via Sports Car Club of America
