

## CERAMIC ART & DESIGN FOR KIDS

Master the art of mudslinging while discovering the joy of ceramics! Make it a 'Grandma and me' afternoon or choose to spend the experience with a friend. Whether your style is fun and funky or classically elegant, both your personalities will shine through as you learn to employ various pottery techniques. Begin by selecting a ceramic piece for each of you, then fill your palette with the colors of your choice - then spend the time talking together as you let your imaginations run wild!

- Use your creativity to craft beautiful, functional pieces of pottery
- A trained professional will glaze, fire, and ship your finished work of art
- Instructions, molds, paints, tools and materials provided
