

WINE BARREL TASTING

Drink no wine before it's time - but in this case, make an exception! Raise a glass to tomorrow's blends with a special wine tasting experience and be the very first to sample wines of a new vintage - directly from the barrel. The use of old barrels to store and age wine is a centuries old tradition. Meet the winemaker who will offer insight into the creative process and learn how the winemaker uses barrel tastings to enhance and improve the wine's evolution.

- Start with a VIP tour the winery and learn about the equipment and timing of the wine making process from the vineyard winemaker
- Enjoy the candle-lit ambiance of the barrel room
- Taste and learn about the vines from 6-10 barrels, depending upon the time of year and the winemaking stage
