

## LEARN TO KITEBOARD • 2 DAY CAMP

Boost the adrenaline with the rider's edge. Double the wind and water excitement with a 2-day lesson in kiteboarding. Part wakeboarding, part windsurfing, kiteboarding is an exhilarating outdoor experience for adults and kids alike. Work seriously on your skills with a certified instructor. Then strap yourself onto the board, harness yourself to your kite, and get out on the water! If your confidence and capabilities permit, try a downwinder, starting at one point on the beach and cruising down the shore.

- Your homework begins when your trainer equipment and instructional video arrive at your door
- After practicing, join the class and become familiar with kiteboarding equipment, etiquette and water safety
- Sharpen your skills and learn new techniques from a seasoned kite flyer
- Make the most of more time on the water to perfect your style
- Includes an embroidered cap, t-shirt, instructional DVD and booklet to take home
