

## POTTERY ART AND DESIGN FOR TWO

Get ready for some kiln time! Take a seat at the wheel and go for a spin with a pottery class for two! Master the basics of throwing on a potter's wheel or explore essential sculpting techniques with the help of an experienced artist. Then let the wheels turn as you spin or sculpt a masterpiece of your own! The class includes a review of the art form's history and the process for shaping and finishing wet clay. A trained professional will glaze and fire your work that you can later bring home.

- Learn basic potter's wheel skills such as centering, pulling, and trimming
- Explore a variety of hand building techniques including clay slab, pinch pots, coiling, molds and glazing
- Put your creativity to work crafting your own unique piece of pottery
- Includes all instruction, tools, and materials
