

ICE CLIMBING

Ice, ice, baby! Like life on the rocks? Take it to the top with a two day introduction to ice climbing. Discover the excitement and adventure of this exhilarating winter sport. Start the first day with a detailed orientation of ice climbing history and the equipment. Then, learn the basics in a top-roping lesson from a licensed, certified instructor. Then, spend the afternoon practicing what you've learned climbing a frozen waterfall. Discover some of the best ice climbing in the region.

- Check in at base camp to meet your guide and gear up
- Learn ice climbing fundamentals such as tool placement and crampon footwork
- Put your skills to the test and climb on a frozen waterfall
- Enjoy the breathtaking views of the Sierra Mountains and the surrounding areas
- Includes all instruction and use of equipment
