

AVIATION PHOTOGRAPHY CAMP

Keep your eye on the sky! Take your photography talents to new heights with a weekend of activities that focuses on aviation photography. In this engaging series of programs and tutorials, you will have the exciting opportunity to capture the beauty of flight on film. Learn tips and techniques from photo specialists and explore a unique, one-of-a-kind facility that houses all kinds of aircraft. Finish your weekend with an exciting flight in the rear cabin of a C-210 photo ship to experience first hand the thrills of air-to-air photography.

- Begin the weekend with an opportunity to meet and greet other aviation enthusiasts
- Learn about the history and development of the photo department and how to prepare for air-to-air shoots in a weekend of seminars
- Tour behind-the-scenes of the museum and its photography lab
- Capture on camera antique airplanes, aerobatic aircrafts, warbirds, ultralights, and more
- Take to the sky with a 45-minute photography flight in a vintage plane
- Includes meals, materials and lodging
