

## JUNIOR PAINTBALL PARTY

Paint the town – and your friends - with the splat-a-tat-tat of a semi-automatic marker! It's a battle to the end, players racing to get their hands on the opposing team's flag, all the while avoiding being tagged with pellets of washable paint. The excitement levels gets so intense, players sometimes won't know - or care - who won until the game is over!

- Check-in and a safety briefing takes place 30 minutes before the session begins - one session generally allows for 3-4 games
- Games are supervised at all times by trained, professional staff to ensure maximum enjoyment, safety, and fair play
- Play paintball for an hour and a half!
- Semi-automatic marker, harness, safety equipment, compressed air and 200 rounds of paint included
