

## FIREWORKS SAIL CRUISE

Snap, crackle, pop! Add a little spark to the evening with a fireworks sailing cruise for two. Sail off at sunset and make a bang with a waterside view of the Navy Pier fireworks display. Climb aboard a beautiful Catalina yacht and enjoy the show from one of the best seats in town. From Memorial Day through Labor Day, the sky above the lakefront fills with a spectacular array of color and sound. Whether you're visiting for the day or a born and bred local, there's no better way to enjoy Chicago's night sky.

- Meet your captain at the Belmont Harbor to board the yacht and set sail
- Watch as the city skyline transforms from sunset to a sparkly panorama of light
