

TWEEN CHEFS

Sauté! Explore the possibilities with a cooking class for kids ages 8 to 12! Have your tween chefs spend time in the kitchen learning to prepare a variety of foods. Menus will always include a fun array of dishes and once they are done, they'll take off their aprons and dig in to their delicious delights.

- Begin with a tour of the kitchen, meet the head chef and listen to a briefing
- Review recipes, watch the fun demonstration and learn simple techniques
- Take to the kitchen and prepare the menu foods from scratch
- Finish the class by eating and enjoying your dish
