

LEARN TO SAIL • 2 DAYS

Cast off! Get ready to explore your passion for the sea with this 2-day introductory sailing class. Discover the excitement of sailing as you drink in the fresh air. Demystify this adventurous sport as you batten down the basics including terminology, tacking, jibing, sail trim and understanding how to capture and harness the energy of the wind. By the end of the day 2, you'll be at the helm and ready to come about!

- Start out with an hour of classroom instruction
- Follow up with on-the-water instruction as you learn the basics of sailing
- Practice your new skills on the water in a Sonar 23 sailboat
- Instructors are Coast Guard Licensed Captains and/or are certified by US Sailing
