

PRIVATE ASIAN ART MUSEUM TOUR

Interested in an afternoon of cultural inspiration? Learn the appreciation of Asian art with a private tour of the Asian Art Museum with one of the museum's highly trained experts as your guide. Invite up to five of your friends for the tour that uses an engaging mix of observation, lecture, and discussion to address Asian art's visual and intellectual complexities. Explore the galleries and experience one of the largest museums in the Western world devoted entirely to Asian art and culture.

- Meet your Asian Art Museum docent for a unique private tour of the museum
- Choose from a variety of programs that can be customized for your interest
- Includes admission for up to six people, plus a commemorative book
