

## SAFARI FAMILY SLEEPOVER

Discover where the wild things are! Experience Africa without a passport on a family safari and sleepover for four. Explore the Serengeti of Sonoma on a guided trek, traveling first in an authentic safari vehicle and then by foot. Come in close contact with giraffes, gazelles, zebras, and other exotic animals as they run and roam freely about the natural habitat. At night, retreat and enjoy the creature comforts of a luxury safari tent, complete with hot showers, plush beds, and outdoor deck.

- Arrive at the wildlife preserve and check into a luxury tent imported from Africa and built on high wooden platforms with spacious decks
- Explore over 400 acres of savannah habitat in an open-air safari vehicle
- Roam through the park's inner compound and see giraffes, gnus, and even a cheetah or two
- Visit the incredible Isle of Lemur where you can watch the primates play and forage for food
- Relax at night and listen to the sounds of the Sonoma Serengeti
- Includes overnight accommodations, safari tour, and continental breakfast for four
