

LEARN TO SAIL • WEEKEND COURSE

Cast off! Get ready to explore your passion for the sea with this introductory sailing class. Discover the excitement of sailing as you drink in the fresh air. Demystify this adventurous sport as you batten down the basics including terminology, tacking, jibing, sail trim and understanding how to capture and harness the energy of the wind. By the end of the course, you'll be at the helm and ready to come about!

- On-the-water instruction as you learn the basics of sailing
- Practice your new skills on the water in a J22 keelboat
- Instructors are Coast Guard Licensed Captains and/or are certified by Chicago Sailing
- Learn the physics of sailing, handling, motor operation, docking, general rules and safety, just to name a few
- Enjoy up to 15 hours of on the water sailing instruction
