

## SPORT FISHING

Looking for an experience with reel appeal? Get hooked with a full-day fishing charter off the California coast. Travel in a 40' powerboat to the best fishing spots based on time of year, weather and local fishing patterns. Enjoy the fresh and water views as your experienced captain and crew introduce you to the thrills and challenges of deep sea fishing. Whether you are fighting a scrappy salmon or covet rock cod, your trip will provide you with a bucketful of fish tales and fun to remember.

- Meet your captain and crew on the pier and gear up for a day of fishing
- Relax on the water as the crew readies the lines and sets out to catch the day's limit
- Cast a line and reel in a catch or two of your own
- Bring along your own picnic lunch and beverages to enjoy on board
- Return to the dock where your catch will be packed for your trip home
- Includes all equipment, bait, and license
