

SKYDIVING WITH DVD

Want to know what it feels like to fly? Get a jump on fun and excitement with a tandem skydive! No experience is necessary in this dual harness parachute experience. Just suit up and head skyward, taking in beautiful panoramic views from the air. Thrill to an exhilarating rush of sensations as you make the jump, freefall at speeds of up to 120 mph, then float serenely back to earth - all the while securely harnessed to the instructor.

- Suit up with goggles, jumpsuit, and harness and get a short lesson in skydiving basics
- Board a plane and start the climb, gazing out over the desert with a view of the mountains in the distance. On a clear day you can even see the pacific ocean
- At 13,000 feet, hook up to the instructor's harness, take a deep breath, then jump
- After 8,000 feet of freefall, the instructor opens the parachute and steers to a safe landing
- As you free fall watch your photographer fly around you capturing your jump on video!
- Includes a DVD and 40-60 digital photos
