

DISCOVERY HELICOPTER FLIGHT

Let your love of adventure take flight during this one-hour introductory helicopter ride. Head into the wild blue yonder for a bird's eye view of the metro countryside with a licensed pilot at your side. In the air, you will have hands on the controls and learn to master the power of a Schweizer 300C helicopter! You can try taking the controls - even if you've never flown before! - or sit back and relax as this unique flying machine demonstrates the amazing aerodynamics that make vertical flight so exhilarating and unforgettable. A truly uplifting experience!

- Start with a 30 minute safety and operational lesson on the ground
- Go through maneuvers like hovering, takeoff, and landing in a 30 minute flight lesson
- Then, it's time to briefly take the controls and pilot the chopper yourself
- All instruction is provided by highly experienced FAA certified instructors
