

SKYSCRAPER CANYON KAYAK EXCURSION

See the city in a whole new light. Pick up a paddle and row! Enjoy the view from the water's edge with an invigorating 3-hour canoe or kayak excursion for two. Paddlers of all levels and interests will enjoy the striking scenery as you travel south, along the Chicago River past the Sears Tower, River City, Pagoda in the Park, "Skyscraper Canyon" and more. Don't forget your camera! There's plenty of wildlife along the way including herons and turtles.

- Meet your guide on the pier and get outfitted with the appropriate gear
- Review basic paddling techniques with a quick start tutorial
- Enjoy an array of amazing city sights as you travel down the Chicago River
- Finish at sunset arriving at the historic Lawrence's Fish Market on the edge of Chinatown
