

SCHOONER SAILING ADVENTURE FOR TWO

Enjoy the sights and sounds of New York City aboard Shearwater, a classic 1920s Maine Schooner. The tallest of “tall ships” this schooner recalls the city’s age when quick sailing vessels were built for trade with the West Indies. Help the crew hoist the sails, roam the decks, or share a cocktail or two while sailing past popular city sites.

- A legend in New York, the Shearwater was the last boat to be constructed at East Boothbay from hand hewn native white oak
- An experienced crew of sailors navigate and chart the course
- Cash bar available on boat

Your Gift Locations*

New York, NY
