

WOLF ENCOUNTER

Feel the spirit of the wolf! Witness the company of wolves with an exciting excursion to a wolf and wildlife preserve. Touch them, hug them, get wolf kisses and take pictures with them as you are welcomed into the pack. Learn about the alpha, omega, and beta as they socialize with you and other pack members. Observe several different species of wolves, enjoy the chance to enter two separate enclosures and interact with a half a dozen wolves with the real 'wolf whisperer' as your expert guide. Keep your eyes peeled for a roadrunner!

- Begin with a scenic one hour ride in a Hummer to the preserve where you will meet the wolves
- Spend time with the wolves inside their enclosures as you enjoy an informal discussion with an animal expert, the 'wolf whisperer' from "Dances with Wolves," who will share stories, insights and answer questions
- Move on to a scenic reserve, if weather permits, and take in Joshua Tree National Park and Pipe's Canyon as you enjoy a gourmet picnic lunch
- Settle in to a comfortable spot as you head on to the drive back
