

## PRIVATE LEARN TO SURF

Calling all wave warriors, get ready to shoot the curl! Gear up for an exhilarating introduction to the fun, exciting and spiritual world of surfing! Master not only the basics, but also build a foundation to continue practicing on your own. Don't forget your sunscreen!

- Gain a strong understanding of wave and wind dynamics, safety principals, wave etiquette and reading ocean conditions
- Jump in and learn vital skills of board balance and practical techniques for paddling and popping-up out onto the water in a safe and controlled environment
- All instructors are experienced professionals and First Aid/CPR certified
