

PRIVATE FLAT WATER KAYAK TOUR FOR FOUR

Go with the flow! Enjoy a four hour, private guided excursion along the shores of the Sam Houston National Forest on 22,000 acre recreational Lake Conroe. Beginner and advanced paddlers alike will enjoy this kayaking journey along the water, as your guide leads and informs you of interesting parts on the undeveloped shorelines, marshes and “new” islands along the national forest. Discerning birders and naturalists can expect unique habitats and close-up views of many species of birds and other wildlife. Bring your binoculars!

- Learn basic kayaking techniques beginning with a “quick start” tutorial
- Take in one of Texas’ vast natural resources as you explore with your guide leading the way
- Includes expert instruction and all paddling and safety equipment
