

BIG CAT FEEDING & TOUR

What do lions eat for breakfast? Here's your chance to find out! Enjoy a guided feeding tour of the world's largest big cat sanctuary, featuring over 100 spectacular cats, representing 16 of the 35 exotic species. There are tigers, bobcats, cougars, leopards, lions and more. Explore the facilities and watch from just a few feet away as the keepers feed these exotic carnivores. It's a bone-crunching feeding frenzy that you will never forget! At the end of your tour, choose a cat to adopt. While you can't take it home, you'll leave with lots of fun information about your new pet!

- Arrive at the sanctuary, as seen on Animal Planet, Jack Hannah Show and the Discovery Channel - for a private guided tour
- Learn about the animals, where they come from, how they live in the wild, how they were rescued, and what you can do to help
- Get an up close look at how keepers feed and care for the animals
