

## VINTAGE BIPLANE BARNSTORMER

Take a nosedive into a fantastic flying machine and experience air flight the way it used to be in a WWII era Warbird biplane. Enjoy the views or wave like a barnstormer to spectators from the open cockpit with your silk scarf flapping in the breeze. Buzz right in to this flying circus and share the ride, there's room for two passengers, and the only holding pattern is the captivating scenery below.

- Enjoy a ride in a piloted 1930's era vintage Waco replica biplane
- Journey 1,000 feet above the sights of Los Angeles and Orange County to the area's most scenic highlights
- Learn a little about the fascinating history of these machines from the Golden Age of Flight
