

PRIVATE TREE CLIMBING • TWO DAYS

Take a bough! Branch out and reach new heights with an adventurous introduction to tree climbing. An exciting, easy-to-learn sport, tree climbing offers a refreshingly different perspective of the world around you. Learn the ropes from a certified instructor in a two-day course that covers non-invasive climbing practices, equipment, proper rope setting and placement, knot work, tree selection, ethics, and more. Once you've mastered the basics, you be skilled enough to use tree-climbing equipment and safely climb nearly any tree you choose.

- Meet your instructor for an overview on safety, equipment, and tree protection
- Gear up and take to the tree for a series of introductory climbs
- Practice placing your rope, tying knots, and learning to climb using the doubled rope technique (DdRT)
- Relax at the top and enjoy stunning views of the surrounding wilderness
