

BIG CAT PHOTOGRAPHY TOUR

Ever seen a liger before? Here's your chance! Exciting to watch and even more fun to photograph, it's just one of the 16 exotic big cat species who call this big cat sanctuary their home. Take your best shot with an exciting, private guided photography tour that affords you the opportunity to point your lens at an array of over 120 spectacular cats including tigers, bobcats, cougars, leopards, lions, and more. Your guide will lead you to the best spots and provide special access to ensure you every opportunity for obtaining memorable photographs.

- Arrive at the renowned big cat sanctuary, as seen on Animal Planet and the Discovery Channel, for a guided photography tour
- Learn about these spectacular cats that live there – where they come from and what you can do to help
- Spend time photographing these amazing animals as they live, eat, and play in their natural habitat
