

## ASTRONAUT BIPLANE ADVENTURE

Looking for the The Right Stuff? Achieve zero gravity and experience the thrill of blasting out of orbit in a world-class, aerobatic biplane. It's a quick trip and a steep climb as you rocket up into the sky in a simulated space launch sequence. You'll actually fly the plane for up to 80% of the flight! Watch the earth revolve around you as you roll, spin, and fly through the air. Feel what it's like to fly inverted, hanging by your straps and looking up at the Pacific Ocean. Don't forget the Dramamine!

- Suit up in a military flight suit, helmet and parachute before your preflight briefing
- Learn what to do and expect while in flight from a certified instructor pilot
- Strap in and take a seat at the controls of an amazing Pitts S-2C
- Loop, roll, spin, and hammerhead the plane and achieve 0 G in a 45-55 minute flight
- Take home a state-of-the-art DVD that captures your every expression of this once in a lifetime experience
