

WHITEWATER RAFTING

Pick up a paddle and head for the flow zone! Go where the Lehigh River runs wild and experience the thrill of whitewater rafting on Class II and III rapids. Let the roaring rapids pull you 12 miles downstream, as you encounter roller coaster waves, giant boulders, and spectacular views. An experienced, professional guide will accompany each raft.

- Start out by suiting up with your life jacket and by grabbing a paddle
- Get wet as you paddle through Class II and III rapids and calm waters on this intermediate rafting trip
- Relax and unwind back at base camp after your trip - all transportation from base to river provided
