

BMW M3 RACE CAR DRIVING • 15 LAPS

Come fuel your need for speed at one of the finest road courses in the United States. Experience the thrill of driving a true race-prepared BMW M3 at speeds you have never experienced before. After a brief driver orientation, try your hand at one of the country's most exhilarating sports. A professional instructor will demonstrate the correct race line and then will leave you to the open track! The adventure is real, the speeds are intense, and the experience is yours for the taking!

- Begin with a 15 minute driver orientation session
- Then, suit up and zoom for multiple laps around the speedway in a BMW M3 race car
- Includes instruction, orientation, safety and certificate of completion
