

STOCK CAR RIDE ALONG • 4 LAPS

Buckle up and get ready for the ride of a lifetime! Take a shotgun seat and fly full speed ahead as you race around a premier road track in a stock car with a racing professional driver. Get to know the basics of stock car racing and experience the thrill of riding at competition speeds.

- Go for a white-knuckling, high speed spin with a professional driver around turns and straightaways
- Features four full laps around the area's premier road racing track
- Leave wanting more as each speed-fueled lap will be more intense than the last
