

WHITEWATER RAFTING

Pick up a paddle and head for the flow zone! Go where the river runs wild and experience the thrill of whitewater rafting. Let the roaring rapids pull you downstream, as you encounter roller coaster waves, giant boulders, and spectacular views. An experienced, trained guide will accompany each raft.

- Start out by suiting up with helmet, life jacket and grabbing your paddle
- Get wet as you paddle through varying Class III - V rapids and calm waters on this intermediate rafting trip
- Relax and unwind back at base camp after your trip - all transportation from base to river provided
