

PRIVATE PHOTOGRAPHY WORKSHOP

Point and shoot! Get into the right frame of mind with a private lesson with working photographer, Elle Gamboa. The choice is yours - learn travel, portraiture, nature, architectural or landscape photography. Whether you are an absolute beginner or a seasoned shutterbug, your workshop will be specially tailored to target your interests and abilities. Shooting will take place in various photogenic settings around San Diego such as Balboa Park, Old Town, and La Jolla as you learn the basics of composition, lighting and exposure or take your current skills to the next level.

- Select starting point of either Balboa Park or Old Town
- Meet your instructor for a private, full day, one-on-one photography lesson
- Focus on the tips and techniques that matter to you most
- Spend the day putting to practice what you learned in a scenic, natural setting
