

TASTING & TEA FOR TWO

It's in the leaves! Sit down with a friend and learn the ins and outs of whole leaf teas from China, Taiwan, India and Japan. Learn about the history of tea, understand what goes into the making of tea, the health benefits, how to brew and the differences between white tea, green tea, black or red tea, oolong tea and herbal teas!

- Includes a tea tasting of 5 different teas with differences being discussed by the tea sommelier at the 10 foot circular concrete tea-sampling bar embedded with semiprecious gem stones and fossils
- Use your new found knowledge as you taste your teas - served with melon seeds or tea chocolates
- Only the finest, handpicked teas crafted by artisans, gently transported from farms in Asia where these teas grow the best will be served
- Take home a 2 oz bag of tea from a selected list for your 'teas for two' at home
