

## TEEN MAKEUP EXPERIENCE FOR TWO

Get a double dose of beauty school with a teen-tailored make-up lesson for two with Emily Connors, an Emmy award winning makeup artist. Discover how to select colors and apply products that enhance your best features and complement your complexions. Master the proper techniques and learn how to brush, blush, line and gloss like a pro.

- Begin with a review of your makeup bags - learn what stays and what's played
- Learn tips, tricks, and product picks from celebrity makeup artist, Emily Connors
- Watch and learn as the artist makes up your faces using the latest trends and techniques in the industry
- Learn the details behind color selection, creating shadows and different make up effects
- Take home a makeup product chosen especially for you
- Be dazzling with temporary tattoos, if you choose
- Finish up by experiencing the hottest trend in the makeup industry - a full airbrush makeup application using a Hollywood technique - you'll both be the envy of your friends!
