

ULTRALIGHT FLIGHT

Up, up, and away! Discover the unmatched freedom and excitement of ultra light flying. Part hang glider, part plane, these small, light aircrafts, called trikes, offer the opportunity to fly with almost no restriction. Learn tips and techniques for good pilot procedures and habits, as well as ultra light flying basics. Then take off and experience the thrill of flying. Whether you choose to try your hand at the controls or simply enjoy the sensation of being airborne, each flight is tailored to your abilities and preferences.

- Meet at the airstrip for a safety briefing and ground instruction from a certified instructor
- Get acquainted with the simple mechanics and aerodynamics of trike flying
- Embark on a natural flight at a low altitude under your instructor's supervision
