

ROMANTIC SPA REVIVAL

There's room for two to take refuge in a cozy private suite and enjoy mind and body soothing spa treatments. Therapeutic massages will be doubly sensational when you and your soul mate relax side by side. Couples continue to luxuriate with facials for individual skin types, and will polish off the day with pedicures. These are terms for endearment!

- Arrive early and enjoy leisurely showers or unwind in the relaxation room with a beverage such as tea, a glass of wine or a mimosa
- Enter a beautiful couple's suite and feel your muscles unwind as knots are worked out in simultaneous, 45-minute Swedish massage therapy sessions
- Move on to 45-minute essential cleansing facials for each of you
- Finish up with a pedicure for each partner
- Spa robe, slippers and towels provided for your use
