

## STAR GAZER CANOE ADVENTURE

Gear up for an astronomical escape! Canoe, camp, and learn about the sky as you paddle and explore the spectacular canyon country of the Colorado Plateau. Away from all the city lights, the wilderness night sky is unbelievably clear – providing the perfect setting for spotting constellations, the Milky Way, and galaxies beyond. Learn about the solar system, sun spots, deep sky objects, and more from an astronomy expert. An optional, pre-trip, private lecture at the Fiske Planetarium is included in your package.

- Meet your guide staff at the designated put-in for breakfast, a safety overview and paddling instructions
- Travel by canoe along a gentle portion (occasional Class I Rapids) of the Colorado River
- Break each day to hike and explore scenic spots including Horsethief Canyon, Ruby Canyon, and Black Rocks
- Set up camp along the river banks at night to relax and enjoy the stars
