

## BEHIND THE SCENES AT HAMMOND'S CANDIES

Hey sugar! Sweeten up the day with a tasteful, behind-the-scenes tour of an old fashioned candy factory. Watch as lollipops, candy canes, ribbon candy and other confections are stretched, squished, and twisted into shape by gourmet candy chefs – even help out with the process! Don't expect too many machines; these all-natural confections are made using hand-pulled and hand-twisted techniques developed in the 1920's. And while they won't let you leave with their secret recipe, they will let you take that sugar high home with a delicious take-away treat.
