

ROCKY MOUNTAIN GUIDED NATURE HIKE

Take a hike – literally! Boot up and get beyond the city with a scenic Rocky Mountain escape. Embark on a guided climbing exploration of rugged and rocky terrains and learn about the diverse flora and fauna you encounter along the way from area experts. Breathe in the fresh, mountain air and enjoy the magnificent landscapes and awe-inspiring views. While moderately strenuous in places, this hike can be enjoyed by anyone in reasonably good physical condition.

- Meet an experienced guide in the morning and travel together to Rocky Mountain National Park
- Spend the day outdoors, hiking through and exploring the Rocky Mountains
- Learn about Colorado history, geology, and nature from an experienced guide
- Take home a souvenir water bottle to commemorate your trip
