

PRIVATE INDOOR ROCK CLIMBING FOR TWO

Break out of your comfort zone and go up against the wall with indoor rock climbing! Perfect for those with little or no experience, this dynamic course will challenge you both physically and mentally as you learn the safety systems of belaying, basic knot tying, and basic climbing movement from an experienced instructor. An exciting alternative to a traditional workout, it's a fun way to stay fit, reduce stress, energize your spirit, and build self confidence.

- Hands-on instruction on climbing in a state-of-the-art facility
- Includes all required climbing gear (shoes, harness, belay device, and helmet)
- Opportunity to develop the skills needed to climb independently
