

INTRO TO ARCHERY

Aiming for something ahead of the curve? Go with the bow and test your skills with archery lessons for two! First, the basics: learn how to stand, how to hold the equipment, and how to aim an arrow safely, with precision and strength. Then, it's time for the two of you to give it your best shot!

- Begin with a historical overview of archery as a sport and hobby
- Become familiar with the equipment and learn how to shoot the bow
- Take target practice sessions with a certified instructor
- This is a sport for everyone!
- Includes a discount for a return lesson or a free range fee for your next visit
