

B-17 BOMBER FLIGHT

Check your six! Drop back in time to World War II with a fantasy flight in a magnificent B-17 airplane. Step on board and for once-in-a-lifetime trip in the “Thunderbird”, one of the few B-17’s left in this world. Explore the plane and imagine what life was like as a bombardier, a waist gunner, or flight engineer. This this amazing aircraft was well known for flying 112 missions over Germany with the 303rd Bomber Group. The interior is fully equipped with all turrets and associated equipment found in a wartime B-17. Don’t forget your camera!

- Arrive at the designated airport and climb aboard an authentic B-17 Bomber
- Walk about and explore the various compartments of the plane
- Observe the pilots and imagine what life was like on board during World War II
