

ADVANCED MOTORCYCLING

It's all about experience. Get the most out of your bike – and yourself - with an advanced lesson in motorcycle riding. Half classroom, half track, this 5-hour lesson allows you to test the limits of your bike in a safe environment. Cornering, breaking, body position, identifying turns, and proper line choice - they're all on the agenda as you work with a knowledgeable, seasoned rider working to shape and refine your skills. Classes are small, so you're guaranteed the attention you need before you hit the road.

- Meet your certified professional instructor at the track
- Begin with a fast-paced 2.5 hour classroom session to discuss proper riding techniques
- Spend the remaining 2.5 hours on the track, putting what you've learned the test
- Includes water and snacks
