

COUNTRYSIDE HORSEBACK TOUR

Possibilities abound as you embark on this countryside tour! This is not your typical nose-to-tail trail ride. You get to choose your pace and choose your place on this scenic and refreshing ride! Get a saddleback view as you take a scenic, guided horseback tour that will have you traveling through beautifully kept land with cut trails, open meadows, across fluid streams, and along tranquil wooded trails. The generous duration of the ride gives way to a plethora of possibilities.

- Experienced, gentle and friendly horses complement your abilities
- More experienced riders can up the pace a little, or for the less experienced equestrian, take it slow
- An adventure suited for riders of all levels, although not for beginners
