

PRIVATE PHOTOGRAPHY WORKSHOP • FULL DAY

Point and shoot! Get into the right frame of mind with a private lesson in nature photography. Learn from an award winning and published photographer a variety of photographic formats and techniques that include composition, exposure, and lighting. Whether you are an absolute beginner or a seasoned shutterbug, your workshop will be specially tailored to target your interests and abilities.

- Choose from a variety of area park locations, downtown Denver, an area lake or other interesting area with your instructor
- Meet your instructor for a private, one-on-one photography lesson
- Focus on the tips and techniques that matter to you most
- Spend your time putting to practice what you learned with the photographer by your side
- Includes lunch and refreshments
